Press Release

Kentucky Association of Riverports To Host 1st Annual Golf Scramble

For Immediate Release

April 25, 2006 (Owensboro, KY) – The Kentucky Association of Riverports (KAR) will host its 1st Annual Golf Scramble at The Summit Country Club in Owensboro, KY on Friday, June 16, 2006. Registration begins at 10:30 a.m. and lunch will be served at 11:30 a.m. Shotgun start at 12:30 p.m. All times Central Daylight Time.

KAR is offering this opportunity for those involved with Kentucky's riverport terminals, inland waterways, and associate, supporting industries to come together for a day of fun, fellowship, and golf mixed with business opportunities. The day will bring individuals from a wide spectrum of business, government, and riverports from across the Commonwealth for social interaction and the exchange of ideas and information. Many of the public riverports' Board of Directors and KAR Associate Members are already confirmed to be in attendance.

The Summit Country Club (www.summitky.com) is located eight miles east of Owensboro. The Don Charles designed layout provides players of all levels a challenging and diverse experience. With bentgrass greens, five lakes and multiple teeing areas, the course can play from 5,500 yards up to 6,835 yards. The Summit is a semi-private golf facility and requires soft spike golf shoes, collared shirts, and no private coolers.

Entry deadline is Friday, June 2nd and the best ball scramble is limited to the first 144 golfers.

Registration forms and various levels of sponsorship opportunities for this event are still available. Please contact Mark Freer at (270) 926-4238 ext. 204, mfreer@OwensboroRiverport.com; or Kendrea Nichols, at (270) 926-4238 ext. 202, knichols@OwensboroRiverport.com for additional information.

About Kentucky Association of Riverports

The Kentucky Association of Riverports (KAR) consists of the eleven (11) public riverports located throughout the Commonwealth of Kentucky. KAR serves as the unified voice for the public riverports, its associate members, and the waterborne transportation industry.

KAR works to promote the development of Kentucky's waterways and port facilities; increase the tonnage of cargo, goods, and products handled through the ports; provide a networking forum for KAR members and its supporters; increase the public awareness of Kentucky's inland waterways and its value; assist in creation and passage of legislation benefiting Kentucky's waterways and ports; and, support the Kentucky Transportation Cabinet in improving intermodal transportation facilities across the Commonwealth.
